An Apology

MR. AND MRS. S. L. CATHCART

and others whom I have forgotten

Mr. and Mrs. S. L. Cathcart were among the very first to submit the picture of their son, Sam Cathcart, Jr. It was not until the last press run that I realized that I did not have the cut of the young man, and because of the lack of time, I could not have another made. I have had a very tough time getting this book out and I know that Mr. and Mrs. Cathcart and others whom I may have forgotten will not hold any grievances against me. I feel just as terrible about this as the parents do and ask that you accept my apologies.
