

## *Their Service to HUMANITY*

Through the courage of the American soldier the evil of tyranny is being driven from the earth. Liberated countries are again able to enjoy the privileges of free people.

And we feel proud in the knowledge that men of our community are having a part in releasing enslaved nations throughout the world. May their gallant efforts never be forgotten.

# TABASCO

### MORNING:

With your breakfast eggs—a few drops of TABASCO makes a good egg better.

### NOON:

Try TABASCO on your steamed potatoes—you'll be surprised at the new, appetizing flavor.

### NIGHT:

To stimulate a lagging appetite, a drop or two of TABASCO on buttered crackers or thin toast squares is more zestful than a cocktail.

## *Each Nation - Doing It's Share for Victory*

Nations bound together to make way for a greater civilization—one of freedom and tolerance for all. Each is making its contribution—let us not forget the great work they are doing.

And let us not forget the great work being done by our men and women from Jeanerette and the vicinity who are serving in all corners of the globe. To each of them we render a salute. May their return be a speedy, victorious one!

*Another Chapter in the Saga of*  
**LIBERTY**

The year 1945, finds Americans still fighting for the "certain inalienable rights—life, liberty and the pursuit of happiness" as stated in this nation's Declaration of Independence. We must show the world we always shall fight to keep our liberty—and fight hard!

Americans know that this is a fight to the finish. Why leave it up to OTHER Americans to win? Play an important part in the big fight.
